

Capitola Car Show

July 4, 2010

In June Steve Beck invited a few people from the StockCarRaceSeries group to participate in an invitation only car show, held in beautiful Capitola. We brought our cars and rigs to the Capitola Sheriffs department to unload and setup for the weekend. This was a 2 day car show, what a great beginning to the start of the summer. Dan and Carol V, Tom and Michelle K, Steve and Kathy B, Steve Beck, Gary and Sue S. We had a police escort to the car show on Saturday morning at 6:30am, from the parking lot to the show, which was about 2 miles away. Pretty loud sounds for such an early morning, I'm sure the people in their homes were awakened by 6 Nascar cars thundering down the road so early.

We arrived at the show, police escorts and all, were parked in our own private area, reserved for the Nascar Stock Cars. Had a beautiful day, enjoyed the great hospitality provided by the City of Capitola and all had a wonderful dinner at the Margaritta Ville bar and grill.

On Sunday we enjoyed another wonderful day, sunshine, water and friendship, Thanks to Steve Beck for his invite, we cant wait to do this again next year, we might be able to have more than 6 cars, will have to work with the City to gain more space, but the stock cars were a major hit.

Thank you Steve for the great time.
